

Why is it that when any national brand leader or a multinational Company want to develop a highly sophisticated filling machine for their food products, they ultimately approve only ' Panchals ' for the task? May be for that reliability they are among our loyal customers who have awarded us with repetitive orders for their plants in India and abroad for last 48 years.

We have earned that reputation of manufacturing the best quality filling Machines for packing Ice Cream, Curd, Yoghurt, Margarine, Lassi, Ghee, Shrikhand, Chees, Jam, Peanut butter, Tomato catch up, Milk Powder. We are fondly known as ' Panchals ' in the country.
